

Vertical Extension Sleeve

CODE **G961**

Fitting Instructions:

The G961 Vertical Extension Sleeve can be used to extend the G960 Telescopic Under Floor Void Ventilator vertically and horizontally as shown. Simply clip the required number of extensions together and push onto the under floor ventilator.

Each unit extends the under floor ventilator a further 150mm vertically or 185mm horizontally.

The G961 Vertical Extension Sleeve should be used in conjunction with other products from the Manthorpe range to provide a complete through wall ventilation system.
